><br>It was a beautiful Friday morning in Tokyo. Soon it will be the weekend. It's another day at Tokyo Public High School. We make our way to a white house where Hamtaro lives.

><br>"Hamtaro, honey time to get up." Hamtaro's mom says.

><br>"Okay." Hamtaro says.

><br>Hamtaro is an 18 year old boy with orange hair and black hair. He puts on an orange T-shirt, blue jeans and a sunflower seed necklace.

><br>Today's the day I have a talk with Boss on the bus on our

relationship with Bijou. Hamtaro thought as he admired himself in the mirror.

><br>"Good Morning Mom, Dad, Hamtari my little sister." Hamtaro greeted.

><br>"Good Morning honey." H's Mom Greeted.

><br>"Good Morning son." H's Dad Greeted.

><br>"Good Morning big bro." Hamtari Greeted.

><br>"Today's the day I ask Bijou to Prom." Hamtaro announced.

><br>"But isn't Boss going to ask her?" H's Dad said.

><br>"I'm going to talk to him on the bus." He said, "That was a good breakfast Mom. I'll see you guys later bye."

><br>With that said he gathered his school stuff and walked towards the bus stop. When he got there most of the guys were there.

><br>"Hey Hamtaro." Oxnard greeted.

><br>"Hey Oxy." Hamtaro greeted.

><br>"Hey Hamtaro." The rest of the guys said.

><br>"Hey guys." He said

><br>"Hey Boss when we get on the bus can I talk to you?"

><br>"Sure." He said.

><br>"We all want to talk to each individual person when we get on the bus." They all said.

><br>After that all the girls showed up.

><br>"Bonjour Hamtaro." Bijou greeted.

><br>"Bonjour Bijou." Hamtaro greeted.

><br>Bijou has white shoulder length hair tied into two pig tails with her blue ribbons, Blue eyes, and a white tank top with blue sparkling letters that spells out "Angel" with white wings, a golden halo sitting on a cloud, white skirt and white shoes. She also wears blue clothes too.

><br>She's so beautiful and cute today. She makes me blush. Wait a second. Boss is usually all over her and is usually angry at me for looking at her. I'm going to have a word with him. Hamtaro thought.

><br>After that the bus came. Everyone got on. Since there were a lot of people in their group, they get their own bus.

><br>"So what did you want to talk about?" Boss asked.

><br>"Bijou." He said, "It seems I've fallen for her but I'm afraid you'll kill me."

><br>"Oh you got nothing to worry about. I've fallen for someone else so go ahead and ask her to Prom. But if anything bad happens to her you'll have to face my wrath." He said.

><br>"Thanks Boss. You're the best friend a Ham can ever have." He said.

><br>Everybody else got the same answer. And they're happy to hear that. After that they got to school to get ready for classes.

><br>After Hamtaro got ready he made his way to Bijou's locker. Somebody was there to ask her but she rejected and he kept on asking her and asking her. But she held on strong. Enough was enough.

><br>"Hey, leave her alone. Can't you take a hint? No means no. So buzz off." Hamtaro yelled

><br>"What are you going to do about it squirt?" He said

><br>"He said for you to buzz off. Leave or you'll end up with a bruised face." Boss said.

><br>"B-B-Boss. I didn't see you there." He said

><br>"Leave my friends alone." Boss threatened.

><br>With that said he ran scared.

><br>"Thanks Boss. But I thought you liked me." Bijou said

><br>"Nope. I'm going to let Hamtaro have you." He said

><br>"Thank you Boss." Bijou said

><br>"Bijou, I have a confession to make with you. I love you with all my heart. Would you go to prom with me?" Hamtaro said.

><br>"I love you too and I'd love to go to prom with you." She said with tears in her eyes.

><br>After the first half of classes it was lunch time. The boys are in one table and the girls are in another.

><br>"So I heard that you and Bijou hooked up with each other." Tai said.

><br>Tai still has his spiky brown hair and goggles, Blue T-shirt and tan cargo pants. He still has Agumon but he's at home with Gatomon and his parents.

><br>"Yep. I heard you hooked up with Sora." He said

><br>Takato still has his spiky brown hair and goggles, Red T-shirt and blue jeans. He still has Guilmon but he's at home with Takato's parents.

><br>"That's great. I got Izumi to go out with me." Takuya said.

><br>"Anything for my aibou and his girlfriend," Yami said in their heads.

><br>"Laura is going with me to prom." Travis says

><br>"And Sakura's going with me thanks to Eriol and his camera-happy girlfriend. She can be annoying at times but she can be creative with Sakura's clothes. Sometimes she gets a little too carried away with that too." Syaoran says

><br>"Hey guys look at that." Hamtaro said pointing to the bulletin board.

><br>There is a poster that says: "Free Couple Day at Tokyo Amusement

Park on Saturday. All Couples get in free."

><br>"That sounds like a good idea." Ash says, "Let's ask the girls."

><br>They walk over to the table. All the girls especially Rika and Misty have their shoulder length hair down. Bijou has pigtails but most of her hair is down.

><br>"Hi guys. What are you doing here?" Kagome asked.

><br>"What do you think girls? Shall we go?" Bijou asked.

><br>"Sure." They all said.

><br>"I heard you finally confessed your love to our daughter." B's Dad said.

><br>"Yep that's right." He said smiling

><br>"We thank you for that. She's been in love with you since the day she met you." He said.

><br>"I didn't know that. I sort of had the same feelings she had when I first met her. But I was afraid Boss was going to kill me. But thanks to him I finally have the girl of my dreams." Hamtaro said blushing.

><br>"Thanks." He blushed.

><br>"Bijou, your date is here." B's Dad yelled.

><br>A soft "Coming" was heard from Bijou. All of a sudden they heard clacking on the hardwood floor upstairs from high heeled shoes. Bijou emerged in front of the stairs. White dress hugging her body, white hair down, blue sparkling ribbons tied in her hair, blue sparkling eyeliner, red lipstick on her lips, white high heeled shoes on her feet and blue earrings on her ears. She looks like a goddess.

><br>"Oh dad." Bijou blushed.

><br>Hamtaro got a good look at her and thought Is that Bijou? Wow she looks really beautiful in that dress.

><br>"As the French said when they're surprised, "Ooh La La"." Hamtaro said.

><br>"Thanks Hamtaro." Bijou blushed harder.

><br>"Here's your corsage and I also got some things for you."

Hamtaro said as he showed her the two boxes. He opened the long one that revealed a sunflower seed shaped diamond with a gold chain.

><br>"Hamtaro, it's beautiful." She said as she removed her hair so Hamtaro can put it around her neck. After he put it on she gave him a kiss on the cheek. Also he gave her a special bracelet with her favorite things like the Eiffel Tower in Paris, France and other things.

><br>"Okay you two lovebirds. Get together so we can take some pictures." B's Dad said.

><br>After that it was time to leave.

><br>"You two have a good time." B's Mom said.

><br>"We will." She said.

><br>They left towards the school. Everybody was waiting. The boys were wearing different colored suits and the girls are wearing their dresses. The girls are also wearing the necklaces and bracelets their boyfriends bought. They were very pleased especially Kagome since she's wearing the Sacred Jewel.

><br>"Hey guys looking sharp." Hamtaro said to the boys.

><br>"Looking sharp yourself." Boss said.

><br>"You all look gorgeous this evening." Bijou said.

><br>"You look gorgeous yourself." Pashmina said.

><br>"Let's all go inside and have a good time." Hamtaro yelled.

><br>They all went inside to see a wonderful sight. The whole gym has been decorated to look like Paris from the Eiffel Tower to the Arch de Triumph. They all danced and ate dinner until it was time to announce the winner or winners of prom king and queen.

><br>The principal came up on the stage and everybody quieted down.

"I have an announcement to make. The winner I'm sorry winners of the 2004 Tokyo High School Prom Kings and Queens are: Tai and Sora, Takato and Rika, Takuya and Izumi, Ash and Misty, Sakura and Syaoran, Inuyasha and Kagome, Lan and Maylu, Laura and Travis, Hamtaro and Bijou and Yugi and Anzu." Everybody cheered real loud as they all went up to have their crowns and sashes put on and the girls got a bouquet of roses. After that they danced until it was time to go home. After that they enjoyed the rest of the year until graduation day.

><br>Graduation Day

><br>Everybody was gathered in the gym. Guys were wearing suits without the jackets and the girls were wearing dresses. They were all dressed up in their blue caps and gowns ready to get their diplomas. There was also supposed to be a speech from the highest ranking student in their class and Hamtaro was it. They all lined up to go.

><br>"Good luck on your speech." Bijou said

><br>"Thanks." He said.

><br>Everybody's parents were there and the Netnavies watched the graduation through their P.E.T.S systems. "Pomp and Circumstances" was playing and the students came in until everybody was placed in their right seats and they sat down while their dean and principal talked and they all got their diplomas and after that it was Hamtaro's turn to do his speech. Everybody in the graduate's section cheered for him.

><br>"Fellow students and teachers it is time to move on from high school to college and from being teenagers to be adults and get married and have kids. During the years in high school we were a little scared since everybody there was bigger than us. We all took it head on and we succeeded. We all have our girlfriends and other people who loved us found somebody else to love. We all had our adventures in the past but it is time to take the bull by the horns and make food, clothing and furniture out of it. We will have the best summer of our lives and we will enjoy it to the fullest. Tokyo High was the best and Tokyo U will probably be better and harder but better. So let's get out of here and enjoy the rest of the day. Peace out. I'm out of here"

><br>Everybody cheered loudly. "Seniors of Tokyo High I now dub you all officially graduated. All the students cheered and threw their hats in the air. Everybody left and our couples went to Tomoyo's Mansion to celebrate their graduation. All the boys wanted to talk to the girl's parents privately. They all told the parents that they wanted to take their daughter's hands in marriage. They all improve except Sakura's brother who needed some enthusiasm and he agreed.

><br>"Excuse me but we have an announcement to make. You girls have been in our lives for many years and ever since the last year we've loved you since we laid our eyes on you. We want to take our love even further." Hamtaro said.

><br>They each got on one knee and pulled the ring boxes out of their pockets and said in unison, "Will you marry me?"

><br>The girls had tears in their eyes and they said in unison, "Yes. Yes I will marry you."

><br>They each put the rings on their fingers and they kissed. Everybody cheered and they enjoyed the rest of their party and waited for three years until they got married

><br>Three Years Later

><br>Everybody is 21 and their wedding takes place in the main park of Tokyo. All the boys were waiting for their soon-to-be wives up front. They're wearing their favorite color suits to match their bride's favorite color wedding dresses. Soon the Wedding March was playing and the little girls of their older siblings were tossing flowers and the bride's maids came along and the little boys had the rings on pillows. Soon the brides came along with their fathers until they let their daughter's arms go to their husbands.

><br>"We are gathered here today to have these men and woman in holy matrimony. If there is anybody who doesn't want these people together speak now or forever hold your peace." The Preacher said. Complete silence.

><br>"Do you men take these women to be your lawful wedded wife?"

><br>"I do."

><br>"Do you women take these men to be your lawful wedded husband?"

><br>"I do."

><br>They each put the rings on their fingers.

><br>"By the power invested in me I now pronounce you men and wives. You may kiss the brides."

><br>And they do and they went off to the reception.

><br>As soon as the others showed up the men wanted to make an announcement.

><br>"I wanted to say thank you for all of you coming. Now I want all the dads to dance with their daughters while we sing a song that we each will sing a lyric and all sing the main parts. Enjoy." Hamtaro said.

><br>Hamtaro: I can stay awake just to hear you breathing.

><br>Tai: Watch you smile while you are sleeping.

><br>Takato: While you're far away and dreaming.

><br>Takuya: I could spend my life in this sweet surrender.
